ADULTS

Class I skaters born between July 1st, 1974 June 30th, 1982

Class II skaters born between July 1st, 1964 June 30th, 1974

Class III skaters born between July 1st, 1954 June 30th, 1964

Class IV skaters born between July 1st, 1939 June 30th, 1954

Gold Free Skating Duration The maximum time is 2 min 40 sec., but may be less.

a) A maximum of six (6) jump elements, consisting of any single or double jumps (including a single Axel) **except double Flip, double Lutz and double Axel. No triple jumps are permitted.**

A jump combination may consist of the same or another single or double jump with the exclusion of the jumps as above. There may be up to three jump combinations or jump sequences in the Free Program. One jump combination could consist of up to three (3) listed jumps, the other two up to two (2) listed jumps. A jump sequence may consist of any number of single and double jumps, excluding a double Flip, a double Lutz, a double Axel and all triple jumps that may be linked by non-listed jumps like mazurkas, etc. and/or hops immediately following each other while maintaining the jump rhythm (knee); there can be no turns/steps, crossovers or stroking during the sequence. However, only the two jumps with the highest value will count.

Please note that a **half-loop** in combination with any other listed jump will result in a jump combination.

Any solo jump can be repeated only once and this repetition must be done either in a jump combination or in a jump sequence. Non-listed jumps may be included in the program as part of connecting footwork, preceding single or double jumps.

b) A maximum of three (3) spins of a different abbreviation, one of which must be a spin combination with a change of foot and one must be a flying spin. The spins must have a required minimum number of revolutions:

four (4) for the flying spin with no change of foot after landing,

four (4) for the spin with only one position and no change of foot and

four (4) for the spin combination with no change of foot and

eight (4+ 4) for the spin combination with change of foot or spin in one position with a change of foot.

There must be a minimum of two (2) revolutions in each position or the position will not be counted.

c) A maximum of one **choreo-step sequence** (i.e., circular, straight line, serpentine, etc) or **choreo-spiral sequence**. To be counted a spiral sequence must include at least two (2) spiral positions not less than three (3) seconds long each or only one (1) spiral position not less than six (6) seconds long. Only the first executed attempt of a choreo-step sequence or choreo-spiral sequence will contribute to the technical score. Additional spiral sequences and step sequences will not be counted in the technical score but will be counted as moves-in-the field (transitions) and marked as such.

Factor The panels points for each Program Component are multiplied by a factor of 1.6

Silver Free Skating Duration The maximum time is 2 min. 10 sec., but may be less.

a) A maximum of five (5) jump elements. **The single Axel or any other single Axel type jump and all other single jumps are permitted. No double jumps or triple jumps are permitted.**

A jump combination may consist of the same or another single jump. There may be up to three jump combinations or jump sequences in the Free Program. One jump combination could consist of up to three (3) listed jumps, the other two up to two (2) listed jumps.

A jump sequence may consist of any number of single jumps that may be linked by non-listed jumps like mazurkas, etc. and/or hops immediately following each other while maintaining the jump rhythm (knee); there can be no turns/steps, crossovers or stroking during the sequence. However, only the two jumps with the highest value will count. Please note that a **half-loop** in combination with any other listed jump will result in a jump combination. Any solo jump can be repeated only once and this repetition must be done either in a jump combination or in a jump sequence.

Non-listed jumps may be included in the program as part of connecting footwork, preceding single jumps or an axel type jump.

b) A maximum of three (3) spins of different abbreviations, one of which must be a spin combination.

The spins must have a required minimum number of revolutions:

three (3) for the flying spin with no change of foot after landing,

three (3) for the spin with only one position and no change of foot and

four (4) for the spin combination with no change of foot and

eight (4 + 4) for the spin combination with change of foot or spin in

one position with a change of foot.

There must be a minimum of two (2) revolutions in each position or the position will not be counted.

c) A maximum of one **choreo-step sequence** (i.e., circular, straight line, serpentine) or **choreo-spiral** sequence covering at least 50% of the usual pattern (e.g., half a serpentine, half of a straight line etc.) In the case of a **circular** step sequence a full circle is required covering 1/2 the ice surface. To be counted a spiral sequence must include at least two (2) spiral positions not less than three (3) seconds long each or only one (1) spiral position not less than six (6) seconds long. Only the first executed attempt of a choreo-step sequence or choreo-spiral sequence will contribute to the technical score.
