Dear Friends,

LYON GLACE PATINAGE is happy to announce an **Ice Dance Summer Competition** which will take place in Lyon, FRANCE, **July 24th to 26th, 2014.**

This competition, sanctioned by the FEDERATION FRANCAISE DES SPORTS DE GLACE, is an Interclubs Competition (as per ISU Rule 107, paragraph 14) open to Ice Dance couples from ISU Members of the European Union and Switzerland.

The Announcement and the Entry Form are attached to this letter.

The purpose of this summer competition, organized a few weeks ahead of the international season, is to improve the preparation of Ice Dance couples (Novice, Junior and Senior) by giving them the opportunity to train their new programs in a competitive environment and to receive feedback from Officials. Entries can be made for both Short and Free or only one Segment.

For each category and each Segment, the Organizer will appoint one or several monitoring teams among the Officials who are volunteer and present on site (Technical Controllers/Specialists and/or off duty Judges).

These monitoring teams will be in charge of watching and analyzing programs, and giving feedback to each couple and their coach on:

- The Levels of Difficulty and quality of performed Required Elements
- The different aspects of the programs regarding Program Components
- The conformity of the programs as per Rules and guidelines

Feedback will be provided after each Segment during individual monitoring sessions.

Video will be available, we therefore encourage all couple to bring a 32 Giga USB stick during the monitoring session.

Of course, monitoring sessions are optional and couples may choose not to take part in this program.

We hope you will find this initiative helpful for your couples and coaches, and we look forward to welcoming them in Lyon this summer.

Kind regards

The Organizing Committee
