MUSIC AND PLANNED PROGRAM CONTENT

In accordance with Rule 343 in the ISU Special Regulations & Technical Rules for Synchronized Skating, the following method to submit the Competitor's music to the Organizing Committee must be followed:

The ISU Member is responsible for submitting their Competitor's music as direct attachment to an email to the Organizing Committee: bosphorusistanbulcupmusic@gmail.com until December 17, 2024.

Please note: some music files might exceed the size of a regular email. In this case, an email-based transfer service which allows to send large files could be used to send the file to the OC.

- each submission shall be labelled with the name of the ISU Member, name of the category, segment, and the name of the team:

Example:

GER_SyS_FS_TEAM_OCTOBER

- the music files must be sent as WAV or MP3 file formats. Any other format is not acceptable.

Please note: Files in MP3 format may have a significant difference in the music quality when reproduced. The Organizing Committee in this case is not responsible if the music quality would be insufficient.

- Each Competitor must have an own back-up drive (USB Stick) for each program in the format of a WAV or MP3 file.
- The exact running time of the music (not skating time) must be communicated to the Organizing Committee when submitting the music. If the music files have been submitted within the above-mentioned deadline to the Organizing Committee, then the music team of the Organizing Committee is entirely responsible for the correct execution of the music. In case of issues with submitted music files the Organizing Committee may request at the time of registration a secondary copy of the music files. In case the music files have not been submitted in time to the Organizing Committee, the team(s) must present their music latest at the time of registration on the above defined mean and in the defined format.

If music information is not complete and/or the music is not provided, accreditation will not be given.

It is mandatory that the Program Content information be filled in precisely by each team in

English using the terminology for the elements listed in the respective ISU Communication.
